

# LEADERSHIP DEVELOPMENT BONUSES

## Wow, those GNLD World Team incomes are very exciting!

How do they do it? Once again, it's the Power of Duplication! Duplicating your efforts by helping others can create extraordinary business growth—and amazing residual income!

**“I would rather have 1% of the efforts of 100 people than 100% of my own efforts.”**

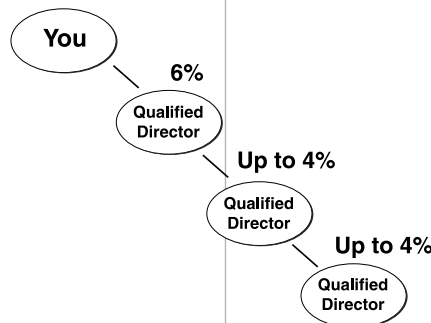

**- J. Paul Getty**

### Here's How It Works:

When you help others to grow their own Director-size GNLD business, they begin earning top-of-the-chart Sales Volume Bonuses—and your earnings on their volume shift to Leadership Development Bonuses.

This is how GNLD rewards your leadership role in developing your network of Director-size businesses.

Example:

You earn these Leadership Development Bonuses on 3 levels of Directors: As you advance up the World Team, your Bonus percentages grow to 6% on your First-Level Directors, 4% on your Second-Level Directors, and 4% on your Third-Level Directors.

### LEADERSHIP DEVELOPMENT BONUS

	Qualified Director Legs	Group PV	1st level	2nd level	3rd level
4 Ruby and above			6%	4%	4%
3 Ruby Director	5	50,000	6%	4%	4%
2 Ruby Director	4	30,000	6%	4%	3%
1 Ruby Director	3	20,000	6%	3%	2%
Sapphire Director	1	10,000	6%	2%	1%
Director			5%	2%	1%

Imagine you are achieving a Director-size business each and every month. You're accumulating 5,200 PV of product turnover through your retail and wholesale network, and thus qualifying for a full 20% Sales Volume Bonus and a \$150 Monthly Car Bonus!

Now, imagine that others you've introduced to GNLD are doing the same. Here is how you profit:

You earn 6% on your first level

$$\begin{aligned} \text{Director} * 5,200 \text{ PV} \times \$1.60 \text{ BV per Point} \\ = 8,320 \text{ Bonus Volume} \\ \times 4 \text{ Directors} \\ \hline 33,280 \text{ Bonus Volume} \end{aligned}$$

6% First Level LDB = \$1,997

Plus you earn 4% on your Second Level

$$8,320 \text{ BV} \times 4\% = 333$$

Total LDB per month \$2,330

\* The computation above is an example of only the Leadership Development Bonus earnings of a 2 Ruby Director. Basic Director income and incentives (retail profit, Sales Volume Bonus, Car Bonus) are not included.
